## COMPANY PROFILE

## About Us

The Straits International Pte Ltd, founded in 2010, is a Singapore based investment holding and supply chain manager specialising in agricultural, protein commodities and FMCG products.

We originate and buy physical agri-commodities from different continents and deliver them through our spectrum of services from logistics, transportation, hedging, risk management and financial services to meet different customer needs.

Our focal industries are animal feeds, flour milling, food manufacturing, farming and oils and fats industries. Our diverse customer base allows us to provide good trade flow from origins to destinations.

Through our strong partnerships with extensive originations to destinations and comprehensive range of agricultural commodities, we are able to provide solutions to our customers. Coupled with efficient handling and responsive support, we are committed to meet customer's demand and expectations.
